The Siyaphumelela First-Year Experience (FYE) Workstream will be hosting its annual Webinar Series. This year, the focus is on the FYE Initiatives/ Programmes offered at the participating Siyaphumelela Project Institutions and the sharing of examples of good practice. FYE Initiatives/ Programmes are an important vehicle for student transition, success, and experience.

This webinar brings together a network of interested persons and a community of practitioners across higher education institutions to encourage engagements and conversations that will contribute to developing a national framework.

Join us during 27th & 28th of November 2023 for the live webinars where **UKZN, UFS, DUT, UWC, NWU, CPUT, and WITS** will present their FYE Initiatives/Programmes.
