	module is now compulsory for degree completion	Student Wellness and Academic Transformation upscaling in process 2024 – CHS complete 2025 – CHS + 1	Academic Advising - upscaling
	L	2026 – Institution- wide SSS	

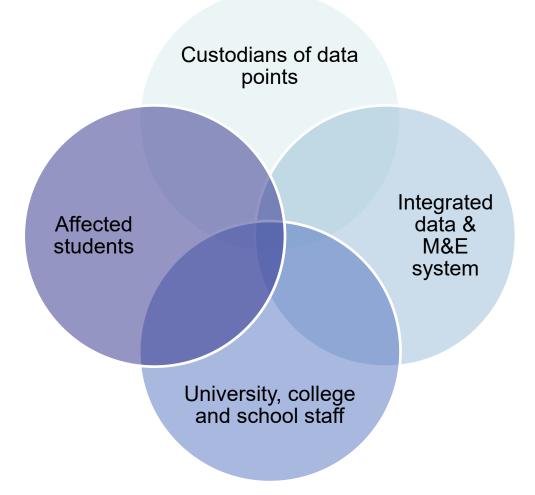

# Siya 3.0 Objectives

### **Action Research**

## **Study Participants**

### **Expected Outcomes and Impact**

- Input from our reorganised Student Success Committee: Student Access and Success Advisory Group – reporting to the University Teaching and Learning Committee (of Senate)
- Capacity-building for academics on extracting, interpreting and using University data to better serve students
- Customising evidence-based decision-making
- Designing pragmatic interventions informed by those who the problem affects
- Testing and upscaling interventions institution-wide
- Enhancing and improving student access and success
- Contributing to the Siya Network 3.0

## **Comments and Questions**
